Subject: FDP Expanded Clearinghouse Profile

Dear FDP Expanded Clearinghouse Committee:

Nicklaus does not have a federally negotiated F&A rate agreement and elects to charge a de minimis indirect cost rate (de minimis ICR) of 10% of an organization's Modified Total Direct Costs (MTDC) in accordance with the Uniform Guidance 2 CFR § 200.414(f).

Fringe benefits are specifically identified to each employee and are charged individually as direct costs. Fringe Benefit Rates are annually published internally by our Finance Department from historical estimates based on staff classifications. For Calendar Year 2024, the rates are as follows: for physicians, the rate is 19% and for other clinicians and support the rate is 24%.

Respectfully,
